## From Mike Boyer IT'S THAT TIME OF THE YEAR

- A few weeks ago, Michael Somers from DELDot sent out a survey to a majority of VOL residents regarding possible new speed bumps construction on Lindell Blvd. If support is indicated by 67% or greater, from returned ballots, construction fund will be requested. The last date to mail your vote was March 26, 2012 but it appears he will accept emails until April 2, 2012. His email is [Michael.Somers@state.de.us](mailto:Michael.Somers@state.de.us). If you email, include you name and your address. Please take the time this weekend to express your support or opposition to speed bumps on Lindell Blvd.
- Please feel free to contact me regarding this or any other items to discuss them further. We are looking for your input. My cell phone number is listed on the right or please contact me via email at [mboyer0285@yahoo.com](mailto:mboyer0285@yahoo.com).
